**ISSUE 142**

## ***TEAM COLORS***

A game for 2 or more players.

**Object:** To collect team cards by color.

**How to play:** Each player gets the same number of cards, in multiples of 4 (for example: 4, 8, 12, or 16).

The deck must contain only teams composed of 4 cards each.

If you are dealt 4 cards from the same color team, remove them from your hand and set

them aside—they're out of play.

Take turns picking one card at a time, without looking, from your opponent's hand. If there are more than 2 players, pick a card from the player on your right. Every time you complete a team, set it aside.

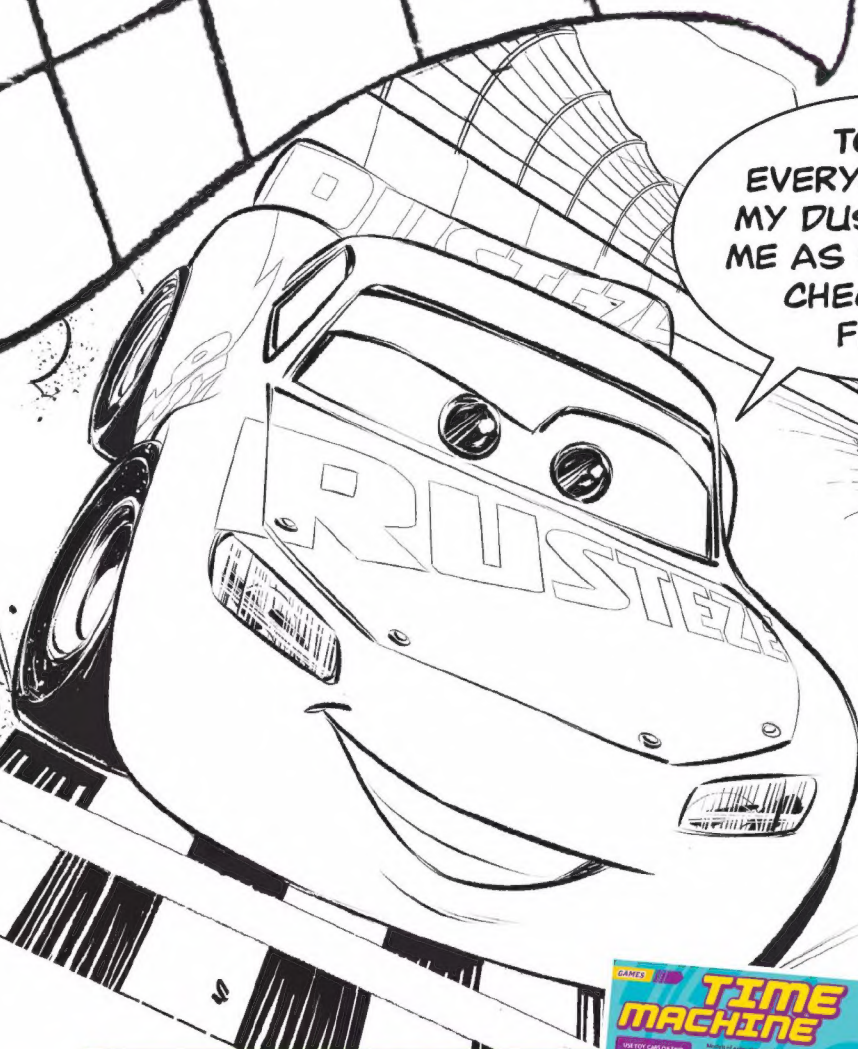

**And the winner is . . .** the first player to set aside all his or her cards in color team sets.

YOU'LL FIND THE COLLECTION'S FIRST 8 CARDS ON PAGE 35,  
AS WELL AS THE RULES FOR THE TIC-TAC-LIGHT GAME.

## HOW TO PLAY

A game for 2, 3, or 4 players.

**Object:** To complete your color board.

**How to play:** Each player chooses a character. The youngest player goes first. Take turns rolling the die.

On your first roll, place your token on any space with a matching color, then check it off on your color board.

On the turns that follow, if you roll a color that matches the color of a space connected to the one you're on, move to it. Otherwise, stay where you are. Whenever you land on a color for the first time, check it off on your color board.

**And the winner is . . .** the first player to complete his or her color board.

## TIC-TAC-LIGHT

A game for 2 players.

If one of the 2 cards is a tic-tac-light, the player that played it places both cards at the bottom of his or her deck. If 2 or no tic-tac-lights are played, the cards remain where they are and will be part of the winnings the next time only 1 tic-tac-light is played.
